May Committee Meeting

What cake will it be this month?

Please join us as we make the final preparations for our Mother's Day and Expectant Parents Info Session events this month. We'll also be discussing how to support our HOM parents, with two relatively new triplet families joining us.

Committee is looking for volunteers from our very busy membership to help keep the club running: without your support, we can't continue!

Do you have time to help run a one-off role such as a fundraising drive? Maybe a few hours to make a grant application? What about compiling our newsletter or helping our Events Coordinator with our Christmas in July event? Get in touch. There are plenty of small jobs and many hands make light work :)
